

# HELLO Autumn

The New Season Brings So Many Welcome Changes like Cooler Weather, Lattes with Pumpkin Spice, and Colorful Landscapes.

But I Bet You are Dreading the part of the Season Where Falling Leaves Stuff up Your Gutters

## Introducing Gutter Guards

Gutter Guards are easily installed and will prevent debris from clogging up your gutters, and causing water to back up into your home. It's a one time investment that will pay dividends for years to come. See how it's done in the video below.

There are Different Types of Gutter Guards and we will council you on the best option for your type of roof.
